Do you have something to say about access to child care in Washington County?

K-State researchers are looking for respondents to a brief survey (less than 10 minutes) to help understand the need for access to quality, affordable child care in Washington County. If you are looking for care, have care, provide child care, or are simply a resident of Washington County, we want to hear from you!

To participate, simply scan the QR code below, click on either K-State logo, or click on the link here:
https://tinyurl.com/mcjsa6mj

For questions about the survey, please contact Holly Connell at hrgulick@ksu.edu / 319-538-4761
For questions about the child care coalition in your county, please contact Roxanne Schottel at rschottel@wchks.com / 785-510-6201
